International Business in Action (6424)

Join this unique experiential learning opportunity where students collaborate with Austrian clients in international teams on real-world projects.

Possible project mentors include Mondj, Zotter, Impact Hub, and Montreet.

The "Business in Action 301" course, offered by the Gies College of Business (University of Illinois at Urbana-Champaign) in partnership with WU Vienna, brings together bachelor-level students from Gies, WU, and ENGAGE.EU partner universities. Develop key skills in teamwork, problem-solving, and intercultural communication! Group work and on-site company visits make you gain insights into innovative Austrian firms and build valuable professional relationships.

4 ECTS Credits

Participants meet their mentors and present their teamwork learnings and project task results in Vienna in May.
