## **Example projects**

*with aiesec.*

# Paw Prints

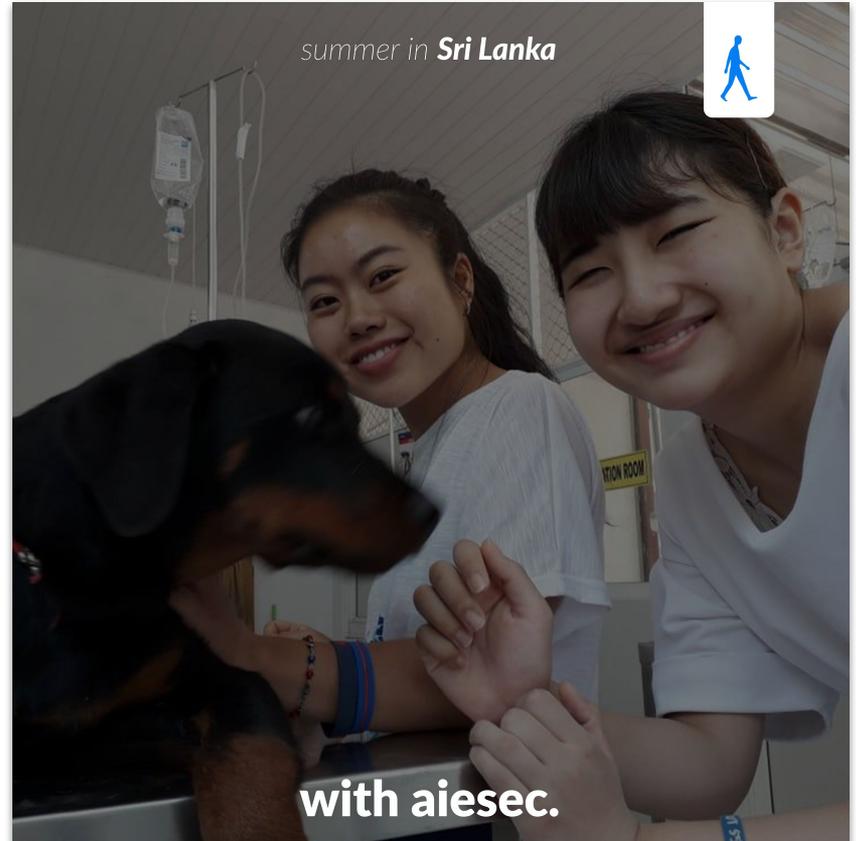

Visit forests, engage with different local stakeholders, **work in animal shelters** and **hospitals** in order to mitigate the issue.

**Visit turtle hatcheries** and other **animal conservation organizations** in Sri Lanka. **Make people aware** that **animals matter!** *'Until one has loved an animal, a part of one's soul remains unawakened.'*

- Anatole France -

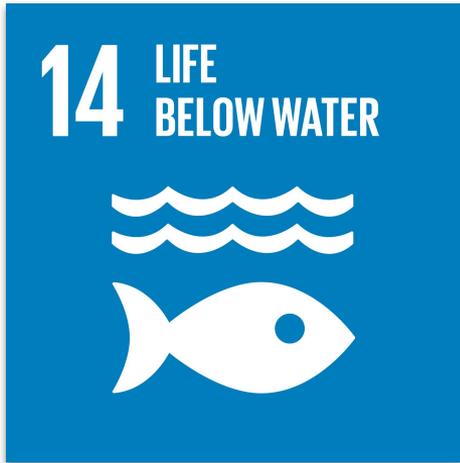

(for more info click on SDG)

# Whispering Waves

Help restore the beauty of Sri Lanka's coast, by **preventing marine plastic pollution** and engaging with different stakeholders to address the issue. Visit our **scenic beaches, turtle hatcheries, coral gardens** and **observe marine animals**.  
Make people aware. **Be an ocean protector!**

# Impactful Traveller

**Traveling and exploring** Sri Lanka, the resplendent island in Indian Ocean is the highlight of the project. (Beaches, forests, waterfalls, mountains, religious sites and many more!) **Learning about sustainable tourism** and **content creation** is also a part of your experience. **Master your content creation skills!**

*(for more info click on SDG)*

# Bleed Green

Activate the **environmental activist** in you and **make people become nature lovers**. Increase the **forest coverage** & **generate awareness** about environmental conservation. Participate in **green initiatives** of the project and become a **green guardian!** *'He that plants trees loves others besides himself.'* - Thomas Fuller -

(for more info click on SDG)

# Forte

'Educate a man and you educate an individual. Educate a woman and you educate a family!' Start with **educating girls. Make Sri Lankan women aware of their potential** and the avenues open for them, collaborating with local organizations. **Empower women to rise against violence and discrimination.** Uplift a woman's life & build a nation's future!
