Diploma theses by 03. May 2024

Bachelor theses by 03. May 2024

These documents must be submitted to the department:

- **1 originals** - **THESIS (in thermal bonding, the possibility of double-sided and single-sided printing)**
- **1 original** - **Originality protocol (only the front page)**

IN ELECTRONIC FORM (via AIS2) IT IS REQUIRED TO ENROLL:

Licence agreement for CRZP and Licence agreement for the university

These will not be submitted in printed form but the possibility of registering the author's consent - signature will be used when registering licence agreements in AIS:

- In the dialogs for registering licence agreements, a panel for the author's consent to the agreement has been added.
- Once the consent has been registered and the changes have been saved in the dialog box, it is no longer possible to change the content of the dialog box (the system records the author's signature of the contract, without the possibility of cancelling the signature).
