

# Empowering Equity Academy

**We want to improve the European Investment landscape and offer real, tangible opportunities to women in STEM & Sustainability areas**

## What we offer

### **Real world learning**

We offer a free and specialised course in how Europe's private equity markets work

### **Flexible programme**

Learn online during live sessions with EIF experts and engage onsite

### **Networking & career opportunities**

We provide a platform for career networking with some of the best fund managers in Europe

## 50 spots available

**Masters Students, PhD candidates & young graduates** from European Universities

**STEM and sustainability related academic background** with interest in the financial sector

## Next edition

**Online:** 29 September - 3 October 2025

**On-site:** 12 - 15 October 2025
